have you ever talked to a dog not just the who s a good boy spike s a good boy stuff but really talked about your struggles your heartaches your joys baring your soul to a canine friend if you have chances are it made you feel free to say whatever you wanted without the burden of justifying your position sounding witty or telling an entertaining story free to take your time without fear of judgment or recrimination even if you can t have a real discussion when compared to conversations with humans you d probably admit that dogs are the better communicators paws down why because even though they don t speak our language they really listen it s time to take a fresh look at listening and we need go no further than the furry best friend at our feet dogs don t interrupt us finish our sentences offer advice try to top our stories or text us instead of talking to us dogs pay extremely close attention to us they study our facial expressions our body language our eye movements and our voice patterns dogs do not just listen with their ears they listen with their entire being true listening can enhance every relationship in one s life and can transform broken associations and inject new life into business and social interactions it is the magic ingredient that forges real connections with others people want good listeners in their inner circle they want do business with them they trust them and will share critical information with them that means the person who masters this skill has enormous advantages both in business and in his or her personal life by listening like a dog readers will find renewed connection and a deeper sense of compassion companionship and understanding with the people in their lives

this book will teach you the reasoning behind so many of the common problems dog owners experience and how you can prevent these troubles we ve interviewed dozens of trainers who all stressed the importance of establishing two way communication to ensure a pleasant and stress free relationship between you and your dog this book also has information from dog owners who have overcome problem behavior by understanding what their dogs wanted and working with their pet to remedy the problem how to listen to your dog will provide you with everything you need to know to learn what your dog is trying to tell you and ways to establish a close healthy bond with man s best friend back cover

would you be totally thunderstruck slap your forehead shake your head and stare with eyes as big as frying pans if

you found a chubby mouse with floppy ears and a drooping rumbling tummy tucked under the blankets of your warm cozy bed would you scratch your head and mutter this just can't be possible it must be a full moon it simply must be there's absolutely no other logical explanation if you found a furry black cat dressed in overalls curled up atop your bed speaking with the mouse about the circumstances that landed them into the bedroom in the first place if you think this could never happen think again this is exactly what happened to a 10 year old boy named Joseph and his grandpa named Grandpa and this is just the beginning of an absolutely madcap adventure filled with the wackiest zaniest characters you'll ever meet from a cozy bedroom to a magical cave to a buried treasure chest and down what seems to be a never ending tunnel Joseph Grandpa Pip the mouse diddles the cat together with a young girl named Emma who Joseph thinks is as pretty as a button find themselves dangling perilously over a deep rocky gorge countless characters offer to help the group out of the gorge but the unthinkable happens will unshakeable friendship infinite patience and unrelenting teamwork be enough to get the group back to Grandpa's farm safe and sound this story promises to knock your socks off it must be a full moon is the last book in the trilogy
