cat adopters picking out your new best friend can be a little more complicated i mean if you get a kitten you re looking at a 15 20 year commitment i once had one of my cats live to be 27 and what happens if they don t like your other pets or your kids even worse what if they stop using their litter box and how often do cats even need to go to the vet anyway even for impulsive people like myself you have to at least put a little bit of thought into it that s where this book comes in it s a comprehensive guide to all things cat adoption if you don t know where to start this is a good place if you ve just brought your new kitty home and have questions we ll cover that too even if you ve already had a cat for a while you re guaranteed to learn something new so grab your catnip and feather wand and let s get started

in the high desert southwestern city of albuquerque new mexico inside the bustling coronado center mall a municipal animal adoption facility called lucky paws is happily changing the face of adoption this is the story of how one medium sized city took a big step in the right direction with a very different approach and proved that a positive happy shelter environment works better for the companion animals and for the people who adopt them

this fantastic tale is a story about pet adoption and animal rescue told from the point of view of a young girl named emma and a pregnant stray dog named nala in this beautifully illustrated children s book you follow nala as she is lonely in the forest and taken to the animal shelter where she meets her foster mom she gives birth to her litter of puppies and they are taken to the local pet shop to be adopted by families that can care for them the pet shop is where 9 year old emma meets nala after finding her while researching rescue dogs online for the first time they have a chance to bond while at the adoption event at the pet store and become best friends will emma s family decide to adopt nala as their furry friend and take her to a new forever home this story is not only fun and beautiful but also teaches kids the importance of adopting animals our hope is that this book can show children and adults alike that they can save an animal s life by adopting dogs cats and other animals instead of buying them directly from the store 9 year old author emma phipps and her uncle rob believe this is the best book to show kids and adults about the process and awesomeness of adopting animals they have also listed trusted resources in the back of this book and a free online mini course with purchase to help aid you in your animal adoption search thank you to all of you for purchasing this book and helping animals in the process

in 2006 my oldest daughter indira mandisa returned to our home in cutler bay south florida for a six months stay and brought her pet feline patience along although i was not keen on the idea i agreed albeit under considerable pressure i was never a cat person as such and quite frankly never imagined having one of those furry little buggers around much less living with one although i was initially insistent that the cat s stay was going to be a short term situation patience eventually grew on both my wife and i so much so that we became very fond of the little feline this is therefore not only a photo storyline about how patience coned

her way into our home and eventually into our hearts but also how having her around really changed my point of view about cats
