peer interaction and second language learning synthesizes the existing body of research on the role of peer interaction in second

language learning in one comprehensive volume in spite of the many hours that language learners spend interacting with peers in the classroom there is a tendency to evaluate the usefulness of this time by comparison to whole class interaction with the teacher yet teachers are teachers and peers are peers as partners in interaction they are likely to offer very different kinds of learning opportunities this book encourages researchers and instructors alike to take a new look at the potential of peer interaction to foster second language development acknowledging the context of peer interaction as highly dynamic and complex the book considers the strengths and limitations of peer work from a range of theoretical perspectives in doing so peer interaction and second language learning clarifies features of effective peer interaction for second language learning across a range of educational contexts age spans proficiency levels and classroom tasks and settings

psychological therapies for adults with autism aims to fill the gap between research and treatment for adults with asd serving as a compendium of diverse research supported treatment approaches chapters are written by internationally recognized experts and include case studies to illustrate this research in practice

auto manufacturing holds the promise of employing many young indians in relatively well paid high skill employment but this promise is threatened by the industry s role as a site of immense conflict in recent years this book asks how do we explain this conflict what are the implications of conflict for the ambitious economic development agendas of indian governments based upon extensive field research in india s national capital region this book is the first to focus on labour relations in the indian auto industry it proposes the theory that conflict in the auto industry has been driven by twin forces first the intersection of global networks of auto manufacturing with regional social structures which have always relied on informal and precariously employed workers and second the systematic displacement of securely employed regular workers by waves of precariously employed de facto informal workers

a royal rescript issued in 1817 by rani gouri parvati bayi queen of travancore kerala proclaimed that the state would defray the entire cost of education she envisioned that only free and universal education would enable her state to overcome backwardness and empower its people to contribute to the state s advancement to uphold the continued relevance of that spirit the institute of social sciences in new delhi india commemorated the bicentenary of the royal rescript in 2017 this volume consolidates a selection of contributions from educational experts academics and scholars which were presented at the commemoration the papers in this volume attempt to deconstruct conventional approaches to understanding education they discuss the underlying forces that have

continued to perpetuate inter generational inequalities in the provision and attainment of education especially amongst the low income and marginalized populations the chapters also present an analysis of the aspects of equity and quality in primary secondary and tertiary education accountability in public policy the power of building progressive partnerships and alliances and most importantly the cumulative benefits of forging multi sectoral linkages print edition not for sale in south asia india sri lanka nepal bangladesh pakistan or bhutan
