this is the incredible story about the role of a particular group of religious women who came to florida and georgia immediately following the civil war this book relates the story of the sisters of st joseph of st augustine fl these french sisters came in 1866 to educate the liberated slaves floridas first bishop augustin verot invited them from the city of le puy in south central france where the congregation had been founded in 1650 the central piece of the story is about the first eight sisters and those who followed them in establishing free schools academies the founding of orphanages nursing during yellow fever epidemics 1877 1888 teaching in public schools americanization of the congregation dynamics in dealing with bishops in america separation and excommunication teaching the apache indians their arrest in 1916 for teaching black students there are many letters written by the french sisters to their comrades and family members in france in the late 1800s giving the real story and the local color of the experiences

for 125 years the sisters of the holy spirit and mary immaculate served the poor and in particular people of color they are the first order of sisters founded in texas their foundress margaret mary healy murphy built the first catholic african american school and church in san antonio the second in the state of texas the sisters carried their mission and work beyond the lone star state s borders and included most of the south and a few metropolitan areas of the north they crossed the rio grande and had several missions in mexico and traversed a new continent when they opened a learning center in zambia the sisters were primarily known as educators and in later years worked in religious education and pastoral ministry they have also operated orphanages and nursing homes and served in hospitals homeless shelters incarceration facilities and immigration residences the school they built over 100 years ago now known as the healy murphy center serves the community as an alternative high school and the sisters still teach there

the title anything of which a woman is capable comes from father jean pierre m@daille the jesuit who brought together the first sisters of st joseph in the mid seventeenth century since 1650 congregations of st joseph have grown in europe the americas india and the orient all attracting women who are called to do anything of which they are capable to serve their dear neighbor this volume tells stories of the foundations of congregations in france and then beginning in 1836 in the united states it introduces the reader to intrepid women whose willingness to serve knew no boundaries and whose strong personalities provided an ample match for church leaders who either encouraged or tried to control their zeal the copious footnotes make this a valuable addition to the history of catholic women religious in the united states as well as to the history of catholicism

this book traces the origins of the chinese sisters of the precious blood in hong kong and their history up to the early 1970s and contributes to the neglected area of chinese catholic women in the history of the chinese catholic church it studies the growth of an indigenous community of chinese sisters who acquired a formal status in the local and universal catholic church and the challenge of identifying chinese catholic women in studies dealing with the chinese church in the first half of the twentieth century as these women remained faceless and nameless in contrast to their catholic male counterparts of the period emphasizing the intertwining histories of the hong kong church the churches in china and the roman catholic church it demonstrates how the history of the precious blood congregation throws light on the formation and development of indigenous groups of sisters in contemporary china
